Alumni, to Serve the University*

## Twenty-fifth Commencement is Near

Formal plans for the annual commencement exercises at the university have been completed and invitations are now in the hands of most of the alumni. It is expected that an unusually large number of former graduates will be in for the ceremonies which will be more elaborate than ever.

The Model High School commencement exercises will be held Friday evening, June 12, at 8:30 o'clock in the auditorium of Woodworth Hall. One of the features of the program will be the oratorical contest. Four seniors have been selected to participate in this event, the preliminary contest being held at the institution Monday afternoon. The four contestants are Frederick Mann, Edith Olson, Eda Flem and Ralph Roy.

Another special feature of the commencement exercises this year will be the installation of the new chapter of Phi Beta Kappa. The ceremony will take place Saturday, June 13. Prof. Grosvenor, head of the department of international law at Amherst college and head of the national organization of Phi Beta Kappa, will be here to help install the chapter.

The annual baccalaureate sermon will be delivered at the university gymnasium at 10:30 o'clock, Sunday evening, June 14. The speaker will be the Rev. R. A. Beard of Fargo.

The annual meeting of the board of trustees of the University will be held at 10 o'clock Monday morning, June 15. The senior pilgrimage will take place at 2 o'clock Monday afternoon. The class has decided to visit only a few of the main buildings again this year. The feature of the evening program Monday will be the class and other regular class day exercises.

Dean Joseph Kennedy has been selected to deliver the university address,

which will be given at 2:30 o'clock Tuesday afternoon June 16 in the Woodment dinner will take place from 6 to 8 o'clock the same evening in the Commons building. An elaborate toast program will be prepared for the occasion.

Following the dinner the annual meeting of the alumni association will be held. Officers will be elected and other matters of importance attended to. The university band will give its usual concert on the campus at 8 o'clock. The alumni party will take place at 9:30 o'clock Tuesday evening in the gymnasium. The president's reception will take place at the Commons before the commencement dinner instead of later in the evening.

The graduation exercises proper will take place at the gymnasium at 9:45 o'clock Wednesday morning, June 17. The commencement procession will form at 9:30 o'clock and will go directly to the gymnasium. One of the features of the program will be the annual senior oratorical contest. Five speakers have been chosen for this event from the preliminary contest held last Monday. The winner will receive the beautiful Gansl medal. No money will be given this year, owing to the fact that the Sidney Clark prizes were withdrawn. The awarding of degrees to the various members of the graduating class will follow the contest.

The following are the commencement orators:

Ethel Halcrow — "Things Worth While."

Avice Wright—"A Debtor to Society."

Lester Smith—"An Apostle of Progress."

William Chittick—"A New Vision."

Thomas Lineweaver—"American Liberty."

## AN APOLOGY

In response to urgent requests from alumni and others the secretary has compiled a directory of alumni which forms the main part of this issue of the Register. Limited funds prevent publishing a more elaborate directory. In many cases the information is indefinite and some times entirely lacking. This condition can be remedied to a large extent by the heartiest co-operation of the alumni.

It will be considered a favor if those noting errors in the directory will notify the secretary at once. Also, any information concerning those for whom no address is given will be gratefully received. We want the help of every alumnus in making the directory up-to-date and as useful as possible.

In this connection we desire to make one more appeal to the many who have failed to send in their dollar for the year's dues. The association owes bills that it cannot pay and it is only because of assistance from the university and the feeling that the work of the association must be kept up that this directory is published. You can help place the association on a firm financial basis if you will.

## YOU WILL BE WELCOME

Commencement time is the home coming time at the universities of the land and your Alma Mater will be glad to welcome back as many of you as can take the time from your work to renew the pleasantest of associations and memories. The Phi Beta Kappa initiatory exercises add peculiar interest to the occasion and a list of alumni who have been honored by election to this fraternity is published in this issue of the Register.

## ALUMNI MEMBERS-ELECT OF PHI BETA KAPPA

With the installation of a chapter in the great national honorary fraternity of Phi Beta Kappa at the university during the commencement exercises, it is fitting that the Register give the names of alumni who have been elected as members. Phi Beta Kappa differs from other fraternities in that it recognizes scholastic merit.
